ABOUT ME

I am a recent graduate of Gunadarma University with a degree in management information system who is currently seeking an internship or a full-time job to develop my skill and build a career in web development. I have eagerness to learn new things. I enjoy working closely with others and I am also able to work individually.

PROJECTS

Web Developer, Rizqy Agung Catering & Wedding Organizer

January 2019 – May 2019; November 2020 – January 2021

- A thesis project given by my supervisor to develop a back-office web application to help manage food raw materials and disposable catering supplies. The web application was built using PHP with CodeIgniter framework and SB Admin (a bootstrap template).

SKILLS

- PHP, CSS & HTML, Javascript
- CodeIgniter and Bootstrap framework
- MySQL
- Computer Networking
- Adobe Photoshop
